Additional terms

Additional terms and conditions as follows:

1. As a Multi Gym Add-on member, you may select 4 gyms that you would like to be able to access in addition to your home gym. This can be done online in the Member Area. You may change your selections at any time, free of charge; these changes will take up to 20 minutes to come into effect. You can choose and access any gym in our estate without changing your direct debit sum, however, as the price of a Membership differs by gym, should you use a more expensive gym more frequently than your home gym within any month, you will receive a surcharge at the end of that month for the difference in price
2. The Multi Gym add-on can be cancelled at any time by visiting our online Member Area. You will need to cancel at least 4 working days before your next direct debit date to avoid being charged the following month's payment.
3. The Multi Gym Add-On will be automatically cancelled if you change your home gym or switch to a different membership type. If eligible, you can reapply the Multi Gym Add-On through the Member Area on our website.
4. The Gym Group may choose to offer a free trial of this Add-on. When this offer is available, a member of The Gym Group can subscribe to the Add-on and use the service free of charge for the designated period. After the free trial period, a new monthly direct debit commitment will automatically begin. You will need to cancel your Add-on subscription at least 4 working days before the end of your free trial to avoid being charged.
5. We reserve the right to make reasonable changes to Gym Rules and the Membership Agreement at any time. It is your responsibility to check online at regular intervals for changes to these documents.
